

November 02, 2025: Yes, Donald We Will Meet in Court - ONE WAY OR ANOTHER

Donald Trump, You have proven to me that you will not stop until you meet me in court - one way or another.

So, go ahead, bring your storm troopers to set this party off.

Otherwise, wait your bitch ass in your office until I am ready to file suit against you - you fat fuck.

Fuck you Donald Trump! You have been using the USA military and police as your 'attack dogs' since this all began.

You are extorting me. You are threatening me. You are harassing me, spying on me, disturbing me, and causing severe distress to my home on a daily, hourly, minute-by-minute-basis.

As a President - you are the equivalent of having a crying toddler that will not stop harassing his parents for a new toy.

Don't worry, Donald - your name will forever be attached to mine - one way or a-fucking-nother.

YOU STUPID THREATENING WANNABE 'GANGSTER' - COME AND GET YOUR PRIZE.

Now, go sit on the toilet where you belong.
